

WINE + DESIGN LUNCH

A STORIED PAST RESTORED: BEAUTIFUL BELTANE RANCH AND GARDENS

Friday, April 6, 11:30 am – 1:30 pm

Deftly integrating references from the property's iconic history into a stunning setting and uniquely rustic vibe, Beltane Ranch's Wine + Design Lunch is a journey not to be missed. Striking elements from centuries past provide the perfect patina to a most current and purposefully-designed experience. Greeted with best-in-class award-winning wines from the vineyard the estate overlooks, guests will be treated to a feast for the senses, including exploration of the restored landmark inn, gardens, dramatic florals and an open-fire roasted lamb. Each course will be a modern spin on a fascinating period in the ranch's history, paired with the property's handcrafted, small production estate wines and served with style. Fifth generation owners and the winemaker will accompany guests through this most unique experience.
